

Zoo Scavenger Hunt

A trail of discoveries beyond the animal.

Check each clue as you find it. Work together, take your time, and skip anything you cannot find. Stay in visitor areas and leave objects where they belong.

Explorer: _____ Zoo: _____

☐ A Place to Rest

Find a shaded spot, shelter, or resting area in a habitat.

☐ Water in a Habitat

Spot a pool, stream, or drinking-water source.

☐ A Way to Climb

Find a branch, rope, rock, or structure an animal could climb.

☐ An Animal-Care Clue

Look for a keeper, care sign, or information about feeding.

☐ Something to Investigate

Find an object or feature that might encourage an animal to explore. Read a sign or ask a keeper if you are curious.

☐ A Conservation Story

Find a sign that explains how people can help animals or habitats.

☐ A Habitat Connection

Read a sign and find out where one animal lives in the wild.

☐ A New Discovery

Share one detail you had never noticed before.
